PRINCIPAL'S REPORT

BUDDY BENCH

Have you seen our beautiful new yellow Buddy Bench in the playground? The concept idea of the Buddy Bench is to allow anyone feeling alone or not sure of what to do or who to play with, to sit on the Buddy Bench and other students will invite that person to join in their game or activity. Over the next few weeks our students will have some lessons involving discussions about the Buddy Bench and Mrs Cornish will be working with some of our older students to provide a scaffold they can use to invite and include students into activities. This, along with our continuing structured playground activities are designed to support student inclusion in a fun, safe and happy playground.

Our thanks to the Geddes family, who organised the Buddy Bench, in memory of their son Elijah and Shane Scully of Scully Outdoor Designs whose company donated the Buddy Bench to our school.

FATHERS' DAY BREAKFAST

This week notes were sent home to families inviting dads and other significant males to attend our annual Fathers' Day Breakfast on Friday 2 September, held in the school's COLA. Please assist us with our catering by returning the RSVP section of the invitation as soon as possible.

Our P&C will also be holding their annual Fathers' Day Stall. More information to follow shortly.

We hope to see you there!

CASH FOR CLASSROOMS CAMPAIGN

Families may be aware that during April and May, Bateau Bay Square ran a marketing campaign called 'Cash for Classrooms'. Thank you to families who chose to participate. This week our school received a cheque for \$1000 for coming third in this campaign. All money will be spent on replenishing sports and games equipment for our student body.

KINDERGARTEN 2017

Enrolments are now being taken for Kinder 2017. Forms can be collected from the office. Our kindy transition program – Newbees will begin next term, running into Term 4 providing

a unique opportunity for our students to become familiar with school, develop confidence and begin to develop a network of friends to begin their school journey.

If you find it difficult to get to the school to collect enrolment forms, please contact us so we can arrange to help you.

If you know of any children who live near you, who are starting school next year at BBPS, could you please encourage them to make contact with the school for enrolment forms.

THE PARTNERS IN LEARNING PARENT FEEDBACK SURVEY

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 22 August and 21 October. Participating in the survey is entirely voluntary; however, your responses are very much appreciated.

Please read the attached flyer for further information about the survey.

FATHER'S DAY BREAKFAST

Once again Bateau Bay Public School will host a Father's Day Breakfast for dads and significant male figures. We believe this is an important and popular event and would like to see it continue. To assist our preparations, however, we are asking families to be clear in their response to this invitation so we can cater appropriately.

WHEN: FRIDAY 2 SEPTEMBER

WHERE: Bateau Bay Public School covered outdoor learning area (COLA)

TIME: 7.30am to 8.30am

A note will be sent home on Friday 12 August. Please fill out the confirmation slip and return it to school by Friday 19 August.

Thank you
Mark Jennings

TUGGERAH LAKES ZONE ATHLETICS CARNIVAL

On Friday 19 August, students who qualified will attend the Tuggerah Lakes Zone athletics carnival. Notes have been sent home and should have been returned by Friday 12 August with payment of \$4.00 carnival entry. Permission notes can be downloaded from the school web site.

KOORI CHOIR

On Thursday, August 4, the Koori Choir travelled to The Entrance High School to perform at the TLLC Academic Excellence Awards Assembly. The choir performed a number of songs relating to Aboriginal identity and culture in front of a captivated audience. The students were wonderful representatives of our school and should be very proud of their performance.

Thank you to the parents who volunteered their time to transport students to and from the event. We greatly appreciate your support of this wonderful program. Great job Koori Choir!

Thanks,

CHESS REPORT

Our chess teams have now completed all their rounds in the Primary schools chess competition. Our A team have finished third from a total of eight teams and our B team also finished third from a total of six teams. I would like to congratulate all the players who participated this year. As the interest was greater we were able to field two teams for the first time, with a second team of less experienced players. There is considerable potential amongst the players in both the A and B squads and we should be able to challenge some of the stronger schools in the years to come as most players are still quite young. I would like to thank Mr Michael Garaty, Mrs Claudine Glover and Ms Michelle Amor who assisted with supervision and transport throughout the competition; we could not have participated without their assistance. Our own school competition will commence next term.

Thank you
Ross McGowen

BOOK WEEK

The theme for Book Week this year is, *Australia: Story Country*.

Book Week will be celebrated in Week 6 of Term 3 this year. However, there are quite a few things happening at our school during that week, so, we have decided to have our Book Week celebrations a little later, during Week 7.

On Tuesday, August 30, students and staff are invited to come to school dressed as their favourite book character or something in keeping with the Book Week theme. We will celebrate with a parade and a story-telling performance on the day.

Children who are dressing-up are asked to wear closed-in shoes, sun-safe clothing and they will need their hats when they go out to play. Children who are not dressing-up should wear their school uniform.

Parents are invited to attend the parade in the Cola after morning assembly.

After the parade, students are invited to attend a special Book Week presentation of *Australian Folklore*, in the school hall. Details will be sent home with the children.

CLASSIC SHIELD OPENS TEAM

On Monday 8th August, the boys rugby league team played two games to decide the winner of the Sydney North Rugby League region. The first game the boys played was against Harbord Public School. This team had a reputation for being an great side and they were certainly tough opposition but the boys came away with a 20-12 win. The second game they played was against Lake Munmorah Public School. Again, the boys faced a team who really wanted to win and the Bateau Bay team had to dig deep because they were very tired from their first game. The boys managed to come away with a 32-16 win making them the Sydney North region winners. They will now progress to the state quarter finals against a team from the Hunter region. As always, these boys displayed impeccable behaviour and sportsmanship throughout the day. Thank you to all the parents for transporting the boys to the event and for their support throughout the day. Special thanks to Amanda for helping Mrs Strange clean up the field prior to the game, to Nicole for her water girl duties (and organising the lovely gift) and to everyone who always pitches in to pack up at the end of the day.

RUGBY LEAGUE OPENS, 10S, 9S

Opens

State Rugby League Gala Day

On Monday, 1 August, three teams from the school travelled to Sydney to compete in the State All Schools gala day. All the teams had an amazing day.

The 9s Team

The 9s team lost their first game to St Michael's Primary School 28-6 but despite the score line they played really well. The second game was an 18-8 win against Unity Grammar College and their last pool game was a win of 24-12 against Wattle Grove Public School. The two wins took the team into the semi-finals against Harbord Public School but they unfortunately lost the game 24 - 12. Thanks goes to John Frohmuller for coaching the boys and to Mr Nathan Lyons for being willing to travel down to Sydney to support and look after the boys.

The 10s Team

The 10s team lost their first game to King Street Public School 6-4. In their second game they beat Bexley North Public School with a 10-6 score line. Their final pool game was a close fought battle with the boys nearly securing the win against St Therese Primary School but a last minute try from the opposition meant the boys missed out on a finals round spot. Thanks goes to Mr Webb for taking the Under 10s team to Sydney and for his hard work in organising and coaching the Under 9s boys team before they went to Sydney.

The Opens Team

The Opens team won their first game against Rouse Hill Public School 6-12. In the second game they played Christian Brothers Lewisham which was the team they lost to in the state final in 2015. It was great to get the win against this team with a 6-4 score line. Their third round game was against Forster Public school which they won 16-0. The team then progressed to the quarter finals where they played Wheeler Heights Public School and won 22-4. In the semi-finals they played a tough South's team from St Therese Primary School and won 16-0. This meant for the third time in four years, the team was in the state final. This group of boys amazed everyone with the incredible effort and relentless determination they showed throughout the day and were unlucky in the finals where St Joseph's Taree eventually won the competition with a 10-0 win.

Although it was heart breaking for everyone to lose the state final again, there has been no other team that has consistently had the same success in this competition over the last four years so the boys can be very proud of their achievements. Mrs Adele Strange (manager), Mr John Strange (coach) and the supporting family and friends are incredibly proud of the boys and we all wish them all success when they head off to high school and play rugby league in the future. The school hopes the boys will come back and show us their gold medal when they eventually get their hands on that elusive All Schools State Title!

BOYS AND GIRLS TOUCH GALA DAY

On Thursday 21 July the senior boys and girls took part in Rounds 1 - 3 of the PSSA touch competition. The boys and girls both versed The Entrance in their first game and won. In the second game the boys versed Wamberal and the girls versed Brooke Avenue and both teams won. The final game was against Berkeley Vale for both boys and girls which both teams also won. They will now progress to the next round in the competition. The boys and girls are congratulated for being great sporting role models and fantastic representatives of our school. Thanks to Graham for helping with the girls third game. Thank you to the parents for transporting the students to the game and for helping to pack up at the end of the event.

Mr Webb will be coaching the girls touch team for the next round of games due to the need for two teachers to take the teams as they progress through the competition and play at different venues.

Mrs Strange
Touch Football Coordinator

SENIOR GIRLS CRICKET

On Monday 1 August, the girl's cricket team travelled to Kanwal Oval to play Kanwal PS. After winning the toss the girls went into bat. At the end of the first 15 overs the girls achieved 37 runs and were all out with 9 wickets. Kanwal then went into bat achieving 38 runs with 6 wickets. Throughout last semester the girls dedicated their time to training during lunch and recess breaks. The girls displayed excellent sportsmanship and teamwork throughout the game. Unfortunately that brings our Girl's Cricket season to an end.

A massive thank you to all the parents who assisted with transport and scoring, your help is greatly appreciated.

CHAPLIN CHAT

Last week I highlighted the strategies of Rock and Water when we are dealing with our emotions. Have you found them useful this week? If you have someone in Year 1, you may have heard some discussion of their "Emotions House". They have been learning about how to identify their feelings and appropriate ways to show these feelings. In the coming weeks, they'll be studying pictures that remind them of how they can respond well to their emotions. They are...

The Lion, The Eagle, The Dolphin and The Wave.

When things are tricky they can respond with **ROCK** by being **The Lion**: I am calm, I fix my eyes. I state what I feel and what I need then I tell my teacher. OR **The Eagle**: I am able to hear lots of different points of view but then make my choice of what is right, then I tell my teacher.

WATER pictures are **The Dolphin**: I am strong and kind. I can state how I'm feeling and listen to others OR **The Wave**: I am strong. I choose to let the problem pass and walk away, then I tell my teacher.

Sometimes pictures can help us respond well when we are faced with difficult emotions rather than a quick reaction that often is hurtful. They can help us parent our children towards good responses too. If Johnny was about to yell and punch when his brother took his toy away, you could remind him that he could respond like a **DOLPHIN** instead and state how he feels, listen to his brother's thoughts and make his choice of what to do. Maybe you could print off some of these pictures and put them in your home to help teach how they can best respond to their Emotions House.

Cheering you on in your parenting.

P&C REPORT

SCHOOL FENCE

After 8 years of advocating, the replacement school fence looks great and thanks to Michelle Dwyer who really was the driving force behind its success after we first raised it when she arrived at BBPS. I would also like to acknowledge the extra work it means for Trent the General Assistant who ensures that gates are open/locked and re-opened throughout the day to keep our kids and staff safe.

POLICE FINES

It's been great seeing the Police and Rangers patrolling the school surrounds recently and supporting our road safety goals. Please continue to watch out for our students and drop off and pick up in the correct areas. \$360 fines have been given for those parked in the illegal areas.

ELECTION BBQ

A huge thanks and well done to Renee and those involved in the election day BBQ. A great effort to raise \$1383 for the school and showing off our great school community to voters.

EDUCATION AWARDS

Congratulations to our Public Education Award winner Melissa Thompson who is a well-deserved winner for her organisation and management of the uniform shop. We are fortunate to have such a dedicated P and C member.

Tell Them From Me parent survey Frequently Asked Questions (parents and carers)

Centre for Education Statistics and Evaluation

1. What is the Partners in Learning parent survey?

The Partners in Learning parent survey is part of the *Tell Them From Me* suite of surveys on student engagement. The parent survey helps to clarify and strengthen the important relationship between parent and school.

The survey is designed to measure, assess and report insights from the parent point of view at the school and system levels. The focus of this NSW survey is on student wellbeing, engagement and effective teaching practices.

2. What kind of questions will the survey ask?

The survey questions aim at understanding parents' perspectives on their child's experience at school, including teaching, communication and the school's support of learning and behaviour. The survey also aims to understand parents' perspectives on activities and practices at home related to their child's learning.

The survey will ask parents questions about:

Parents feel welcome	Parents are informed	Parents support learning at home	Parents participation at school
School supports positive behaviour	Safety	Inclusion	School supports learning

3. How have schools been selected to take part?

The survey is open to all NSW government schools at no cost to them. Your school has decided to participate.

4. How will taking part in this survey benefit my child's school?

The parent survey provides school principals and school leaders with parents' perspectives on their school as well as learning at home. Communication between parents and staff, activities and practices at home, and parent views on the school's support of learning and behaviour help build an accurate and timely picture that schools can use for practical improvements.

Data collected from the survey responses are quickly compiled into reports for school leaders. Principals can then use this information to help them identify emerging issues and plan for school improvement.

5. How does the parent survey relate to the student survey?

The parent survey is complementary to the *Tell Them From Me* student survey that your child may have been asked to complete. These surveys are offered (along with a teacher survey) to ensure schools can capture the views of students, teachers and parents.

For more detail on each of the surveys, see the survey website: <http://surveys.cese.nsw.gov.au/>

6. What do I need to do to participate in the survey?

The survey typically takes 15 minutes and is conducted entirely online through a secure website operated by the survey developers, *The Learning Bar*. You will be provided with a link to complete the survey at home or your school may make computers available so that you can complete the survey during school hours.
