PRINCIPAL REPORT - Term 2 Week 6

This term continues to pass by quickly. Winter has arrived and with it the flu season has arrived. Please be mindful of the spreading of germs and discuss with your children practical hygienic strategies to protect themselves and others from infection.

The students and staff are working hard to achieve personal goals. Students are working well in class and involving themselves in the many extra-curricula activities on offer.

Mr McGowan and the chess team continue to progress in their Inter-Schools Challenge, the senior dance group are rehearsing regularly in preparation for their performance at the Central Coast Dance Festival and our many sporting teams continue their journeys through the PSSA competitions.

Recently students represented us at the regional Cross Country Carnival and our own Athletics Carnival. I would like to congratulate all the students on their outstanding behaviour at the athletics carnival last week.

We are proud of the efforts being made by our students, and I would like to thank our staff, and their teams of volunteers, for giving their time so generously in support of our students. Your hard work is greatly appreciated.

ARE YOUR DETAILS UP TO DATE?

Have you moved or changed phone numbers or email address? Please inform the front office with any changes in your living situation or with new phone numbers and email addresses so we can contact you if the need arises.

ATTENDANCE

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

After 3 days of absences it is recommended that parents provide a medical certificate to justify their child's absences.

CAR PARKING

Car Parking spaces provided in the school grounds are for staff members only. Unless dropping children at Before and After School Care.

NAIDOC WEEK CELEBRATIONS

We are celebrating NAIDOC Week in Term 2 Week 10 on Tuesday 2 July.

Students are invited to wear mufti on the day in the colours of red, black and yellow. There is no cost to students to wear mufti.

All students will be participating in a range of activities including art, craft, story-telling, traditional dance, music and games. Every student K-6 will be put into one of 25 family groups that will share 6 rotations for a 20 minute activity each rotation.

A parent information note about NAIDOC Week was sent out earlier in the week.

We look forward to an exciting day.

Deputy Principal

WOOLWORTHS EARN & LEARN

A huge thank you to everyone who is collecting Woolworths Earn and Learn stickers and sending them into our school or putting them into the box at Woolworths at Charter Hall, Bateau Bay.

The school has already received over 22,000 stickers. Our goal is 30,000 stickers but we would love to collect more before the promotion finishes on 26th June 2019.

Woolworth Earn and Learn allows the school to get new resources for science, technology, sport and art that the school could otherwise not afford.

Your efforts to support this initiative are very much appreciated. Every sticker counts.

Adele Strange
Woolworths Earn and Learn Coordinator

TIME TO CHECK CLOTHING IS LABELLED

As the cooler weather is now upon us, we ask that you check that all jumpers, hats and jackets are clearly labelled with your child's name and class.

It is so much easier to ensure those misplaced items are returned to their owner if they are clearly marked.

Please check our lost property located just inside the COLA door if your child is missing any items.

GIRLS SOCCER

On Thursday 30 May, the PSSA girl's soccer team played two outstanding games at Killarney Vale Athletics Field. The girls showed great sportsmanship and played with enthusiasm. In the first game Bateau Bay won 5-1. We then went on to play Brooke Avenue in the final game with another win of 3-1. All of the girls worked as a team and played exceptionally well.

I am proud to say we have made it to round 4 which will be against Berkeley Vale.

Thank you to all of the parents/ grandparents that came to watch on the day, we really appreciated your support. Congratulations and great effort.

DEBATING

On Friday 24 May Bateau Bay Debating Team 2019 attended an away debate at Killarney Vale Public School.

The topic selected by the home team from the coin toss was: That bullies should be named and shamed at school assemblies.

Bateau Bay's team debated in the negative and set out to prove that bullies should not be named and shamed.

The Speakers for the day in order were Kyah L, Olivia H, Angus K and Evie G.

They were ably encouraged and supported by Cooper D. Killarney Vale began strongly and provided many points for our team to rebut however Bateau Bay Public School were the winners of the debate with their strong persuasive manner and thoughtful rebuttals.

Last Thursday 30 May, in a debate against Erina Heights Public School Tawny Frogmouths, our debaters were triumphant.

The Bateau Bay Public School team were in the negative to win, with the topic being "that primary schools should spend one afternoon a week teaching internet skills".

The speakers were Kyah L, Olivia H, Angus K and Cooper D. Congratulations to the team on their hard work and dedication to improving their debating skills.

The next debate will be in Term 3.

Mrs Watkins

PSSA NETBALL TEAM

Congratulations to our PSSA netball team!

On Tuesday 28 May, Bateau Bay Public School attended a netball gala day at Baker Park Wyong. The girls participated in 4 remarkable games against schools from around the Central Coast.

It was an honour to see such great sportsmanship, enjoyment and determination from every team member. The girls represented Bateau Bay with pride, played with incredible skill and most importantly had smiles on their faces the entire day.

Bateau Bay won 3 out of the 4 games played. What an amazing effort, well done girls!

PRIMARY ATHLETICS CARNIVAL

On Friday 31 May 2019, the school held its annual primary athletics carnival at Mingara athletics track.

It was a crisp autumn day and the students enjoyed a fantastic day filled with running, field events and novelties. Students who come 1st, 2nd or 3rd in the 100m finals or 1st and 2nd in all other events progress to the Tuggerah Lakes zone athletics carnival to be held on Friday 23 August 2019. Permission notes will be issued to qualifying students closer to the event.

Congratulations to all students who reached zone athletics level, what a fantastic achievement!

Athletics Coordinator

OPERATION ART

For the past few years our school has participated in a program called Operation Art. This art program is open to all government and non-government schools across the state from Kindergarten to Year 10. All entries are exhibited at the Armory Gallery at Homebush and 150 pieces are selected for further exhibition with fifty being eventually hung in Westmead Children's Hospital. There are however a range of different awards.

Each entry that is submitted is framed and returned to the school unless they are selected to be exhibited elsewhere. Due to the costs of framing there is an entry fee of \$95 to participate. For this reason the school is only able to select one piece as our official entry.

The winning entry this year was by Paxton M in 2J for his mixed media piece called "The Planet Groll". Paxton was selected from sixteen entries.

My thanks to all the students who participated in the competition this year, selecting one entry amongst so many fine artworks is always a difficult process.

Lesson 1

Objectives:

Students become familiar with the concept of the 'Zones' (see page 2), increase vocabulary of emotions and further develop skills in recognition of facial expressions.

To support the 'Wellbeing Framework for Schools' and the Australian Curriculum's (ACARA) **Personal and Social Capability Learning Continuum**, all students across the school will participate in a series of 'Social and Emotional Learning' (SEL) lessons, taught in classrooms, designed to help students recognise emotions, address self-regulation, increase vocabulary of emotional terms, develop skills in reading expressions, and insights into events that trigger behaviours. Additionally, students will learn calming and alert strategies whilst they also develop social thinking and problem solving capabilities. Lessons will fall under our PBL framework and be embedded into every day context across the school. Parent and carer information will be sent home through the 'Newsletter' and 'Skoolbag' to coincide with lessons taught at school to support understanding and promote a supportive environment for students to practise their skills.

Lesson 1: Introducing 'The Zones of Regulation' and Recognising Emotions

LESSON 1 OVERVIEW: This lesson introduces students to the four 'Zones of Regulation' © (Social Thinking, 2011) used to categorise the different emotions and states of alertness people experience. Using images of various feelings, students learn to identify the four 'Zones', which are the foundation of 'The Zones of Regulation'. Students work on increasing their vocabulary of emotions and recognition of facial expressions.

The 'Zones of Regulation' © is a systematic visual way to classify different emotions, feelings and behaviours into 4 colour-coded areas – we call Zones. It's a simple concrete tool that is easy to refer to and understand. The Zones support students to identify with their feelings, understand their level of alertness, and use skills to problem-solve solutions and self-regulate. A significant component of the Zones teaches students not only to recognise these emotions but supports them in developing effective regulation tools – leading to independent regulation. We typically feel our best, and we're able to learn our best, when we're in the '**Green Zone**'. It's the optimal zone for learning and engagement. When we're in the '**Yellow Zone**' we're starting to lose control of our

emotions and behaviour, before tipping into the '**Red Zone**'. Importantly, we all experience being in each Zone at different times related to expected or unexpected situations. Key points will be to consider the strategies we use in each Zone to help regulate our behaviour and response to situations.

HOW CAN YOU HELP ?

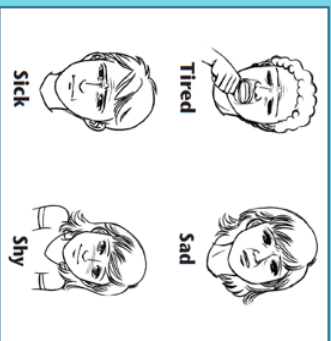

- ✓ Use the language and talk about the Zones as they apply to you in a variety of environments
- ✓ Make comments aloud so your child understands it's natural that we all experience the different Zones
- ✓ Help your child gain awareness of his or her Zone and feelings by pointing out your observations ie, "I can see you are frustrated, you are in the yellow zone"
- ✓ Encourage your child to share his or her Zone with you and help them to become comfortable using the language to communicate his or her feelings and needs
- ✓ Model how you feel - what Zone you would be in and what you will do to self-regulate
- ✓ You might like to keep a copy of the Zones (p.2) on the fridge or somewhere at home which is handy to refer to as a 'check in' system

What ZONE are you in ?
