MEMBER FOR PARLIAMENT

This week we were fortunate to welcome the State MP for the Entrance David Mehan to Bateau Bay PS. During his visit he was given a guided tour by our school captains Charly and Bella who proudly showcased our school and improvements they would like to see.

PRINCIPAL REPORT

SOCIAL MEDIA

This week has once again highlighted the need for all parents and carers to be aware of the need to monitor children's social media activity. Strict guidelines from platforms identify age restrictions but all parents are encouraged to set good practices with their children so they are not left unattended on devices.

Please refer to the advice below from the eSafety Commissioner who is aware of distressing reports about a video of a suicide circulating social media platforms. If you encounter this content to report it to the social media platform they've seen it on, or to eSafety at

www.esafety.gov.au/report/illegal-harmful-content.

For our staff, we have advised that they monitor students who are more vulnerable and at-risk, and check in with them about their interactions on and offline as part of cyber safety learning.

A number of resources are available for families to access should they need.

Kids Helpline. 1800 55 1800. Phone support is there all day, every day. Online support is open from 8am-midnight every day (AEST).

Suicide Callback Service. 1300 659 467. Phone support all day, every day, and follow-up calls.

eHeadspace. 1800 650 890. Open 9am-1am daily (AEST).

Lifeline. 13 11 14. Phone support all day, every day. Online support 7pm-4am daily (AEST).

Beyondblue. 1300 22 4636. Phone support all day, every day. Online support 3pm-midnight every day.

RESPONSIBLE USE OF DIGITAL TECHNOLOGY

Our children and young people have grown up with digital technology and it is part of their lives. During COVID-19 many young people are using digital technology more often to learn and socialise. Supporting students to use technology in a safe and responsible way allows for more active online learning that can increase student engagement and participation. Being safe online is a shared responsibility for students, teachers, parents, carers and the broader community.

It is important that families can communicate with their children about how to use digital technology in a safe way but some reminder for parents include:

- Protect personal information, including name, address, school, email address, telephone number, pictures and other personal details.
- Never share user names or passwords and only use your own.
- Ask an adult for help if anyone online asks for personal information, wants to meet or offers gifts
- Let a teacher or other responsible adult know immediately of anything online that is suspicious harmful or inappropriate.
- Never bypass any hardware or virus protection or filters.

I have provide specific links for parents regarding supporting their children to manage devices and internet access.

Esafty Commissioner – The first link provides advice for parents about supporting their children with technology and the second link details current popular apps of which students may be familiar.

Digital Citizenship for Parents

<https://www.digitalcitizenship.nsw.edu.au/parents-articles>

It's timely to mention to all families that by the clear guidelines for opening a Facebook, Instagram, Twitter or Snapchat account clearly states students **must be 13**, while other platforms require users to be older and to have parental permission.

ATHLETICS CARNIVAL

I wish to thank Ms Strange for her outstanding and enthusiastic leadership of the school athletics carnival. Despite current restrictions students were able to enjoy a great day competing in a range of events. Despite students not being able to proceed to Tuggerah Lakes Zone there were some excellent individual and collective achievements. Congratulations to all students who participated so well and displayed such wonderful sportsmanship on the day.

FATHER'S DAY STALL

Thank you to our wonderful P&C and volunteers for generously organising the stall this year. Students were very appreciative of the opportunity to buy a special present for the wonderful Dads, Uncles, Grandads and special men students have in their lives. I hope dads had a great day and acknowledge the significant part you play in providing quality role models for our students.

SCHOOL SELF EVALUATION

Community consultation forms an integral part of the journey in creating the 2021-2024 School Plan. Parent input is sought through a variety of opportunities. Next week parents at random will be contacted and asked two questions about what they feel our school is doing well and what is one thing they feel could be improved. All responses will be handled anonymously. A link to a satisfaction survey will also be sent out. This is another opportunity for our community to have an opportunity to be a part of the future planning of our school.

40th CELEBRATION

This year Bateau Bay PS will celebrate 40 years of proud public education. To acknowledge the school's 40th anniversary a commemorative photo involving all students will be taken next Friday. Students will assemble on the oval in the shape of the number 40 within current COVID restrictions and guidelines. Can I please ask that all students are in full school uniform.

Thank you to Tim Clark (Best Signs) who has not only generously donated his time to paint the number 40 for our photo but he will also paint some new handball lines in our COLA and update the lines on our netball court.

Thank you to the Clark family!

TERM 4

Term 3 has been extraordinarily busy and I want to thank our wonderful parent community for their support once again with ever changing guidelines within schools. Your support of our school is always greatly appreciated.

School resumes on Monday 12 October for all students K-6.

A reminder there is no staff development day on the first day of Term 4.

I hope all families have a relaxing break and return refreshed ready for a rewarding Term 4.

PRIMARY ATHLETICS CARNIVAL

On Friday 28 August, students from Bateau Bay Public School headed to Mingara athletics track to participate in their annual school athletics carnival. The sun was shining and the students were creatively dressed in their house colours ready for an exciting day.

Students participated in track, field and novelty events and showed their support for competing students by waving banners and dancing to their house songs.

The results of all track and field events have been posted on the school sport noticeboard. Certificates and awards will be given out in the coming weeks. Unfortunately, due to COVID-19 restrictions, there will be no progression to zone carnival in 2020.

Congratulations to all students who participated in the carnival and a special mention to Koolewong students who were part of the winning house for 2020.

DRINK BOTTLES

It is important that all students have a drink bottle at school each day. We've had lots of students this week without one and when they are out in the playground or at sport/PE, there is nowhere for them to get a drink. We are not anticipating bubblers being able to be turned back on anytime soon, so please ensure your child has access to water by having their drink bottle each day

Presents

During Weeks 1 and 2 of Term 4, students are invited to audition to be part of the BBPS annual performance formally known as Red Cross Red Faces.

Audition categories include:

- Dancing
- Singing
- Drama
- Musical Instruments
- Other special acts

Students can audition as an individual or in small groups. All acts must be created by the students with special thought given to suitable music, props and costumes.

Stringent health protocols for the safety and hygiene for our students will be followed including but not limited to cleaning, limited on stage groupings and a live stream of the event to all classrooms.

As always, our performance is created by the students, for the students to enjoy at school.

Raise the Curtain will be held in the later half of Term 4. Date is to be confirmed.

We would like to thank our Year 6 students for their creative ideas in selecting our new name!

More information will be released closer to the date.

If you have any questions or concerns, please contact Miss Coggins.
