BATEAU BAY PUBLIC SCHOOL

Year 5 to Year 6

2024 to 2025

We have had so much fun this year!

We've made new friends, learned so much,
and experienced many wonderful moments together.

Towards the **end of the year**, things start to **change** as we prepare for the **school holidays**...

Our **work displays**, that are **decorating our classrooms and corridors**, will come down.

We **return our library books, class readers**, and take home some of our class workbooks.

Our **School Reports** also go home so that our families can see how hard we've worked.

We might even have a **mix of feelings and emotions** around the end of school year...

excited...tired...overwhelmed...happy...sad

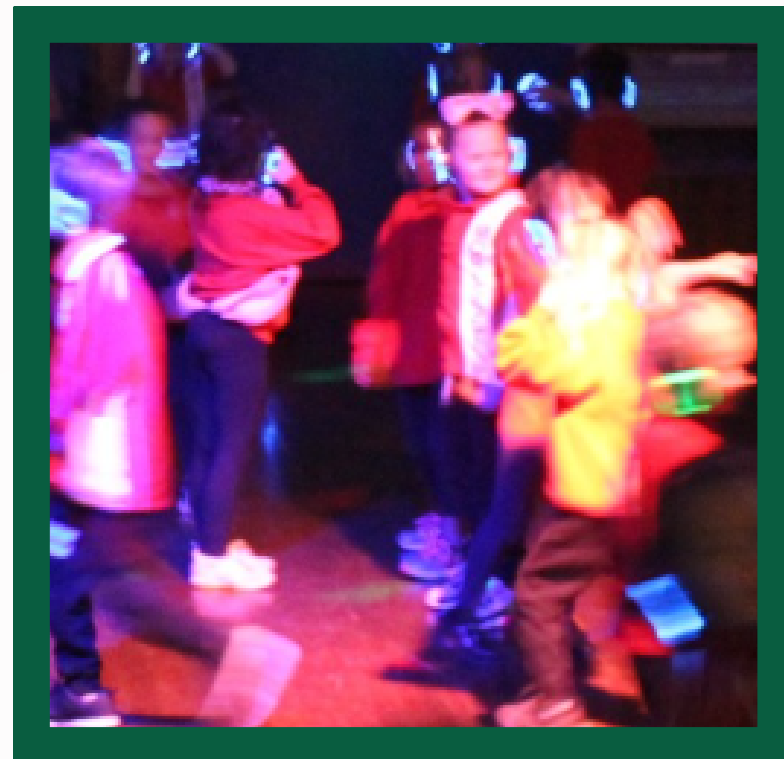

In these times it's useful to think about, and use our **Zones Strategies**

2024
AWARDS
AND
REWARDS

Towards the end of the year, we celebrated our achievements with the Principal and PBL Reward Days.

This year's fun was a Silent Disco!

We also finish the year with presentation days, end of year celebrations and learning activities.

When it's School Holidays.....

Our PBL expectations are important to remember, whether we are at school or at home! Some ideas of when we can use them are:

SAFE

Hands and feet to ourselves. We make sure that people around us feel safe, and that we feel safe around others. We follow all safety signs and signals in the community.

RESPECTFUL

We treat others how we like to be treated. We use appropriate voice levels, listen to others, and work through problems in a respectful manner.

RESPONSIBLE

We listen to our parents and carers, ensuring we remain in the right place - right time. We tidy up after ourselves, work together and help our families with any chores.

Back to School

Year 6 - 2025

When we come back to school:

We go to the COLA and **line up in our usual 2024 class line.**

Teachers will be there to meet us and welcome us back to school.

2025

BACK TO SCHOOL!

When we come back to school on our first day, we might feel a little bit nervous and excited.

It's okay to feel like this.
Most children feel like this too.

We can use the 'Zones' strategies to help us.

When we come back to school...
